AGE OF GLORY

Step into the world where ancient kingdoms rise and fall and legends are born. The Age of Glory transports you to a time of epic battles, glorious victories, and unforgettable rulers.

When roaming the grounds, you'll come across our noble Tsarina Tamara, whose wisdom guided her kingdom to greatness. Now, her treasures await you. Impress her with your courage and she will lead you to the heart of the mystery, where antique coins with cryptic symbols hide the secret to the ancient fortune!

Explore our 5-reel, 3-row slot with 25 fixed paylines, where the Golden Crown is Wild and substitutes for all symbols, except Scatter and Bonus, and expands vertically to complete combinations. The Wild appears in the Main Game only.

5 or more Bonus symbols trigger the Wheel of Fortune Bonus Game. During the Bonus Game, the main game reels turn into a grid of 5x3 positions with a reel containing Coin Bonus symbols, Wheel of Fortune Bonus symbols, and empty cells. Bonus symbols landing on the reels remain in place, while empty cells keep the reels spinning. Every Coin Bonus symbol multiplies the total bet from x1 to x10.

A Wheel of Fortune Bonus symbol landing on the reels is guaranteed to reward you with an additional prize from 15x to 300x total bets! The additional prizes will be revealed at the end of the Bonus Game. Bonus Game starts with 3 attempts and keeps going until you run out of attempts or find all the reels covered with the Bonus symbols. 15 Bonus symbols collected during the Bonus Game double your bonus wins!

The Classic Risk game allows you to double the winnings up to 10 times.

Travel back to the Age of Glory, where ancient castles and unexplored grounds await you! Will you claim the glory and riches that Tamara has left behind?
