BLUE SLOT DICE

Our legendary Blue Slot is back, this time adopting the dice mechanic!

Wrapped in galaxy blue colors, our Blue Slot Dice features 6 reels, 4 rows, and 40 fixed paylines, embracing dice games' full potential and deluxe feel. Replacing the classic fruit symbols with futuristic dice, the slot’s celestial environment awakens curiosity, elevating excitement.

In Blue Slot Dice the Expanding Wilds are ingrained with crowns, changing things up while retaining the exclusive vibe of the game. The Wild appears on reels 2, 3, 4, and 5 and expands over all positions on the reels and substitutes for all symbols except for the Scatter. The Wild expands only if a win can be gained.

Furthermore, the 2 Scatters add an exciting twist to the gameplay with their glowing presence and unique new look.

The players can double their winnings up to 10 times during the Classic Risk game.

Travel across the galaxy and explore the endless possibilities with our Blue Slot Dice!
