RAGING WINGS

Get ready to fly high in the sky with our new release - Raging Wings!

Welcome to the vibrant Bird Kingdom and meet the seemingly cute and harmless birds occupying this realm. But beware, these aren't your average birds - this quirky slot features a gang of overstuffed, mischievous birds causing chaos in the relatively harmonious Bird Kingdom. Sweet and colorful on the outside, don't let these birdies fool you!

Raging Wings is a 5-reel, 3-row slot with 10 fixed paylines, sending players on a quest to find the enchanted golden eggs, filled with crazy secrets. Once you uncover them, our birds will take you to the hidden part of the kingdom, where every bird has its own colorful egg, each carrying a valuable prize - so choose carefully!

3 or more Scatter symbols trigger 6 Free Games. Before they start, you need to go to the Bird Kingdom where eggs hide the birds' treasures and crack them to get rewarded. A Bonus is given for each cracked egg. The 3, 4, or 5 cracked eggs are triggered by 3, 4, or 5 SCATTER symbols. If you are lucky enough to get to the Bird Kingdom in the evening when tired birds have a rest, the number of bonuses will be doubled. All the collected bonuses are used in the ongoing Free Games series. As a bonus, you might win extra Free Games, x1 or x2 Multipliers, sticky Wild symbols, moving Wild symbols, stacked symbols, and extra Wild symbols.

Players can double their winnings up to 10 times during the Classic Risk Game. Bonus Pop is also available!

Will you be the one to stumble upon the most valuable prizes in our Bird Kingdom? Crack the egg and check!
