VIKINGS WAY

In the heart of the frozen north, where fierce winds howl and towering waves crash against rugged shores, the Viking clans forged their legacy in fire and blood.

These fearless warriors sailed the seas in their mighty longships, driven by an unquenchable thirst for glory and treasure. With their fierce exterior and immense bravery, our Vikings have a long way to go, exploring dangerous territories that cater to their adventurous nature.

From the misty coasts of unknown lands to the fortified cities of far-off kingdoms, the Vikings unleashed their fury, claiming vast riches with every battle. Their victories became legends as gold, gems, and ancient artifacts filled their treasure hoards. But it wasn't just fortune they sought — their gods promised eternal rewards in Valhalla for those who fought bravely.

Now, you stand on the brink of your epic adventure with our 5-reel 3-row slot with 20 fixed paylines. The Wild Viking symbol appears on reels 2, 3, and 4 and expands vertically. Wild substitutes for all symbols except Scatter. Three or more Scatter symbols trigger up to 20 Free Games where a Wild symbol is guaranteed to appear.

Set sail with the Viking warriors and conquer the reels of fortune. The gods smile upon those who dare — will you be the next to ascend to victory and join the hall of champions? Join the Vikings in their voyage and wield your weapon in battle alongside some of the strongest Scandinavian warriors!
